

8/7-9 Tonkin Street CRONULLA NSW

2 2 2

A property to be rivaled when it comes to the level of quality in design and location, something the desirable Glenavey building is recognized for.

Stylish shadow line ceilings, down lights throughout operated by a CBUS system, built in ceiling speakers, ducted air conditioning and large light filled windows with bay views are just some of the features which will make this magnificent property one to remember.

Spacious & conventional open plan kitchen, lounge/dining with access to two sunny balconies both with water views and entertaining options.

This modern & convenient kitchen includes an extensive breakfast bar with ceasar stone bench tops and splashback. Miele stainless steel gas cooktop and range
