The homes handsome informal living area sets the tone for substantial family living where stunning interior zoning meets sensational alfresco entertaining and dining. Designed to take full advantage of its northerly aspect and leafy outlooks, the home will delight the entertainer with its beautifully appointed kitchen complete with quality Smeg appliances and large central island bench. Wrap around decking unfolding to tropical in ground pool and level backyard, whilst upstairs offers plenty of family accommodation with four light filled and spacious bedrooms, including impressive master suite complete with ensuite, walk in robe and private terrace.
